

MASSANUTTEN MILITARY ACADEMY

Weekend Activities and Special Events 2009-10

- ✓ Activities and dates below are subject to change. Additional special trips and events may be announced.
- ✓ Costs are estimates and may change according to numbers of cadets electing to participate.
- ✓ Not included below are Friday night trips to malls and movie theaters. Please consider providing sufficient allowance funding for your cadet to take advantage of off-campus opportunities as they arise.
- ✓ If a cadet signs up for a trip but is later restricted to campus because of academic or behavioral deficiencies, or if the cadet simply chooses not to go, the Academy may not be able to refund fees—depending on the timing of the cadet’s cancellation and the nature of the event.

Instructions: *To register for Activities, please complete and return this form to the Director of Activities. Simply write the cost of the event in the shaded column then total the event costs in the bottom box.
