Summer STAR Programs

S

STRIVE

MMA's summer programs are designed to help your high school or middle school student strive where they need to grow, whether to improve GPA, English skills or develop in academic/character.

T

THRIVE

MMA's summer programs help students thrive in academics and leadership. Our programs are tailored for students to either retake classes, have a fun recreational week or earn additional high school credits over a 5 week period choosing one or several weeks at a time.

A

ACHIEVE

Your child can achieve better grades, leadership and character by attending one of our summer programs JROTC Leadership, Summer School, and Colonel's Camp.

R

REINFORCE

MMA's summer programs are designed to reinforce learning in academics and leadership.

JROTC

This full day, leadership training program is a 5 week session open to grades 9 through 12. Participants will earn one transferrable high school credit. Students must attend all 5 weeks.

Colonel's Camp

This flex option is designed to teach middle school students leadership and focus on values like Character, Leadership, Responsibility and Service. Campers will soar through U.S. History, military customs and courtesies, and attend field trips to national museums in Washington, DC. Students can choose 2- 5 week options.

Academic Summer School

**Online, virtual
option is
available!!**

We are offering a 5 week summer school program available to grades 7-12. Students can take two repeat courses or one repeat course and an art, study skills or SAT prep course.
